## **PUBLIC NOTICE INTERRUPTION OF SERVICES**

**Barkly East, 9 July 2025** - The Joe Gqabi District Municipality (JGDM) hereby informs the public that there will be an interruption of municipal services on Thursday, 10 July 2025, owing to scheduled maintenance by Eskom from 05h00 to 18h00.

As a result of the power outage, the Joe Gqabi District municipal offices will be partially closed on Thursday, 10 July 2025 as the Barkly East, Lady Grey, Sterkspruit, Maletswai, James Calata and Burgersdorp office-based and non-essential municipal staff will be working remotely. Essential staff will be on duty.

### **Account Payments:**

The public is advised to visit our cash offices from Friday, 11 July 2025 for account payments. No payments will be processed on Thursday, 10 July 2025.

### **Water Supply Interruption:**

The electricity outage will affect all our water treatment works in the Senqu and Walter Sisulu local municipalities and result in the interruption of water supply in the affected areas for the duration of the power outage. Water supply is anticipated to be fully restored up to four (4) hours after the power has been restored (22h00).

Residents without reserve water sources are urged to ensure that they store adequate water in clean containers with leads for use during this time.

We apologise for any inconvenience caused in this regard and thank you for your patience.
